YOUR JOURNEY STARTS HERE

FOREVER

TIMELESS

WHAT TO EXPECT

What to expect

Imagine getting your makeup and hair done by your closest friends, bringing your beauty vision to life. We prioritize making your most special days even more memorable at the convenience of your preferred time and location. We oversee all contracting, team coordination, and scheduling/beauty timelines.

How booking works

First, submit your official inquiry.

Second, confirm all of the services that are needed for your event.

Third, receive your customized proposal!

Once you are ready to book, you will submit your deposit and signed contract. At this point, sit back and relax! We will take care of the rest.

YOUR ————— DESTINY

TIP ONE

Decide if you want a Bridal Preview added onto your proposal. A Bridal Preview (aka Bridal Trial) allows you to connect with your glam team before the wedding day and ensure that we execute your envisioned look to absolute perfection. This allows you to tweak minor details to make sure that you are looking and feeling picture perfect for the big day!

TIP TWO

Consider the getting ready space. It is always best to have ample space while you are getting ready to ensure everyone's comfort throughout the glam process. We recommend having ample cleared table space for your glam team to set up their studio equipment and kits!

TIP THREE

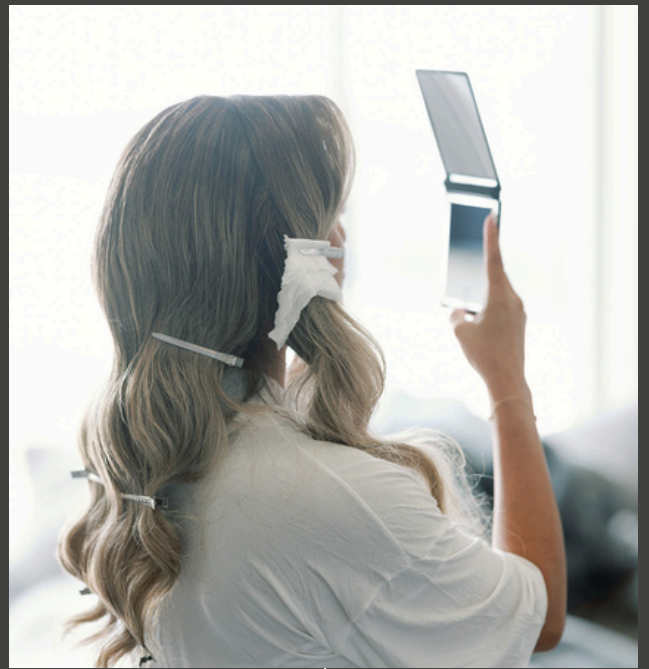

Pamper yourself! Hydrafacials are recommended about five days before the wedding day to ensure your skin is glowing from within. Ensure to touch base with us about hair prep before your big day!
